

**ADMINISTRATION OF MEDICATIONS TO STUDENTS**  
***(Permission Form for Student to Self-Administer Medication)***

I hereby certify as follows:

I, \_\_\_\_\_, the parent/guardian of \_\_\_\_\_  
\_\_\_\_\_, a student in the Southwest Livingston Co. R-1 School District, am  
legally authorized to make educational and health care decisions for the Student.

I hereby give my permission for the Student to self-administer \_\_\_\_\_  
[name of medication] and to retain such medication in his or her possession. This permission shall  
be effective for the 2015-16 school year and must be renewed each school year.

I have provided the District with a written medical history of the Student's experience with his or her  
illness ("condition"), a treatment plan for the condition prepared by the physician, and a plan of  
action for addressing any emergency situations that could reasonably be anticipated as a consequence  
of administering the medication and having the condition. I have and will continue to provide the  
school nurse or administrators with current duplicate prescription medications.

I have provided the District with written certification from the Student's physician stating that the  
Student (a) has the aforementioned condition and (b) is capable of, has been instructed in, and has  
demonstrated to the physician or designee the proper method of self-administration of medication. I  
understand that the Student will not be allowed to self-administer the medication in school until the  
school nurse observes the Student's technique and advises the Student in the self-administration of  
this medication.

I understand that the District and its employees or agents may disclose information provided in  
accordance with the foregoing paragraphs to administrators, nurses, teachers and other district  
employees as may be necessary to protect the health of the Student and to establish that the Student  
has been authorized to self-administer medication. I understand the District shall incur no liability  
for the disclosure of such information.

I understand that the District and its employees or agents shall incur no liability as a result of any  
injury arising from the self-administration of medications by the Student, absent any negligence by  
the District, its employees or its agents. I shall indemnify and hold harmless the District and its  
employees or agents against any claims arising out of the self-administration of medication by the  
Student.
